Q1 About this case study:

(The following project details are non-editable, if you wish to make any edits, please write to CaseStudyResearch@isg-one.com)

•	Submitted by
	Email
	Alternate contact name
	Alternate contact email
	Service provider
	Client
•	Unique ID (ISG Internal Reference)
	ISG relationship contact
	Industry
•	Location
	Case study description

Q2 Engagement duration

Start Year	End Year
Before 2017, 2017, 2018, 2019, 2020, 2021,	2023, 2024, 2025, Currently active
2022, 2023, 2024, 2025	

Q3 Nature of engagement represented by the case study

- Embedded in an ongoing relationship such as a managed services outsourcing contract
- Standalone project or program
- A combination of multiple related projects that were independently or individually executed
- Based on the purchase of a technology platform or solution (please describe)

Other or combination (please describe)	•	Other or combination	(please describe)	
--	---	----------------------	-------------------	--

Q4 Your case study will be shared with the analysts who lead specific ISG Provider Lens studies. ISG Provider Lens™ reports evaluate independent vendors and providers across a range of capabilities by topic and region.

This mapping will also help the ISG team to better classify your client work for the candidate provider qualification (CPQ) process. Please select all the studies for which this case study will represent your credentials.

You can select multiple studies from the list below. For this case study to be a valuable input, it is important that you include appropriate details as part of your submission.

	Advanced Analytics and AI Services		MarTech Service Providers

	olvement in framing the situation. Mention any in		
	dblocks accounted for in the solution. In addition		
	may also submit links and attachments below.		·
•	·		
	Provide related links that are publicly accessible.	15G	will not access any links with access
con	trols.		

Q7 Attach related documents.

<u>Please note</u>: Only one attachment, maximum 16MB. If needed, you can zip multiple attachments into a single file to upload. To replace the uploaded file, click anywhere in the gray area and select another file to replace. No password protected files or attachments.

Q8 How would you describe the client's strategic objective?
 Operational transformation or improvement of an ongoing business
 New experience or way of business made possible by the solution
Creation of a new or disruptive business model
Other or combination (please describe)
Q9 What were your client's goals for the project? Rank up to three options from the list by
entering 1-2-3 in the space provided, where 1 is the highest priority.
Grow revenue of ongoing business
Grow through new products, markets, or go-to-market strategies
Lower operating costs
Improve the efficiency of business operations
Reduce or manage business risks (not related to security)
Improve security including cybersecurity
Improve customer or user experiences
Create a positive impact for diversity
Improve sustainability
Other or combination (please describe)
Q10 Solution Description
Provide an overview of your solution and specific role in working with the client, technology platforms, and providers that were part of the project. In addition to the business-technology solution, ISG is interested in learning about specific services, expertise, IP, commercial models, or any other notable aspects of the approach used to arrive at the solution. In addition to the written description — or in lieu of — you may also submit links and attachments below.

Q12 Provide details on how your team addressed environmental sustainability or diversity of thought or experience in your solution, if applicable. For example, how these considerations influenced the solution design including the makeup of the team.

Q11 Provide details on the approach to AI in your solution, if applicable.

controls.
Q14 Attach related documents.
<u>Please note</u> : Only one attachment, maximum 16MB. If needed, you can zip multiple attachments into a single file to upload. To replace the uploaded file, click anywhere in the gray area and select another file to replace. No password protected files or attachments.
Q15 Business Outcome:
How did your solution drive successful outcomes for the client? ISG is interested in tangible or quantified outcomes as well as qualitative aspects of success, as they relate to the client's busines objectives. In addition to the written description — or in lieu of — you may also submit links and attachments below.

Q16 Provide details on how your solution provided outcomes for your client specifically related to sustainability, if applicable.
Q17 Provide details on how your solution provided outcomes to your client specifically related to
diversity, if applicable. For example, in terms of expanding access or promoting new avenues offer diversity of thought or lived experience.
Q18 Provide related links that are publicly accessible. ISG will not access any links with access controls.

Q19 Attach related documents.

<u>Please note</u>: Only one attachment, maximum 16MB. If needed, you can zip multiple attachments into a single file to upload. To replace the uploaded file, click anywhere in the gray area and select another file to replace. No password protected files or attachments.

Q20 The contact information of your client is REQUIRED for ISG to validate your case study.

If you do not participate in client validation, your case study will be used in ISG research, but will not be eligible in ISG awards programs, or to be promoted as a standout case study.

- Provide client contact information as part of the case study submission
- Complete the case study submission now and provide the client contact information later
- Do not participate in client validation

Q21 Client contact for	r case stud	v validation
------------------------	-------------	--------------

-	ient contact for case study validation: Client contact name
	Email
	ovide supporting links that are publicly accessible. ISG will not access any links with access ls. (OPTIONAL)
